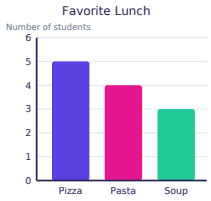
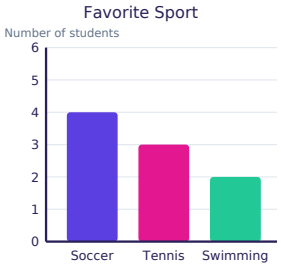
Task card 1 Bar Graphs

How many students chose Soup?



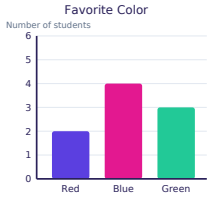
Task card 2 Bar Graphs

Which sport did the most students choose?



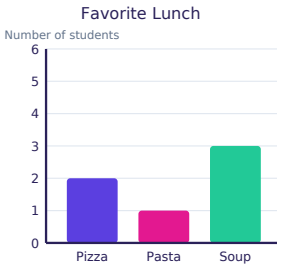
Task card 3 Bar Graphs

How many students chose Red?



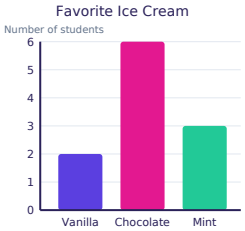
Task card 4 Bar Graphs

Which lunch did the fewest students choose?



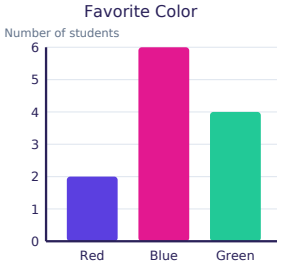
Task card 5 Bar Graphs

How many students chose Vanilla?



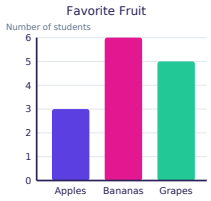
Task card 6 Bar Graphs

Which color did the most students choose?



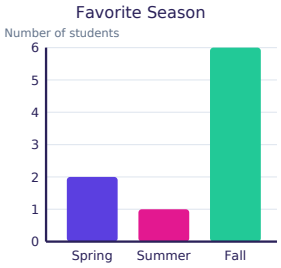
Task card 7 Bar Graphs

How many students chose Apples?



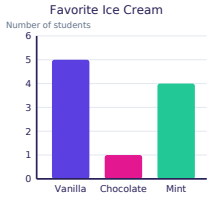
Task card 8 Bar Graphs

Which season did the fewest students choose?



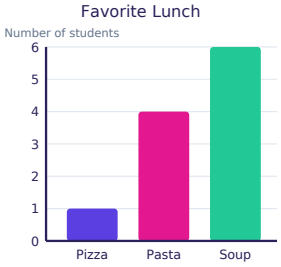
Task card 9 Bar Graphs

How many students chose Mint?



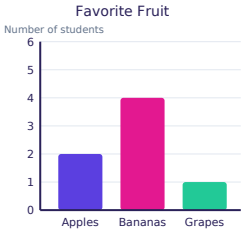
Task card 10 Bar Graphs

Which lunch did the most students choose?



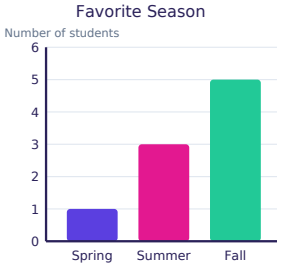
Task card 11 Bar Graphs

How many students chose Bananas?



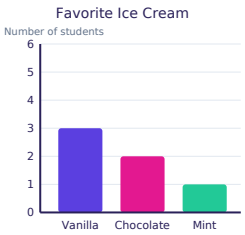
Task card 12 Bar Graphs

Which season did the fewest students choose?



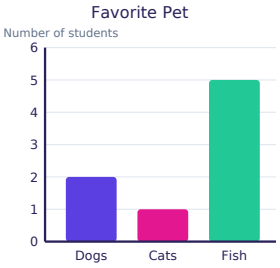
Task card 13 Bar Graphs

How many students chose Vanilla?



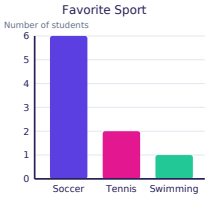
Task card 14 Bar Graphs

Which pet did the most students choose?



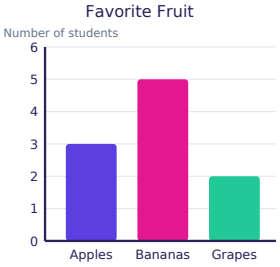
Task card 15 Bar Graphs

How many students chose Tennis?



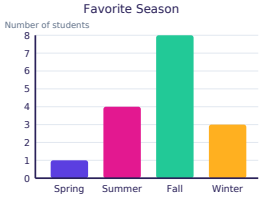
Task card 16 Bar Graphs

Which fruit did the fewest students choose?



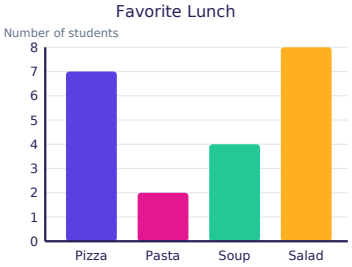
Task card 17 Bar Graphs

How many students chose Winter?



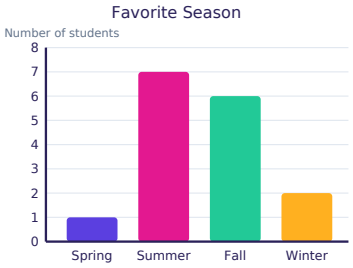
Task card 18 Bar Graphs

How many more students chose Salad than Pizza?



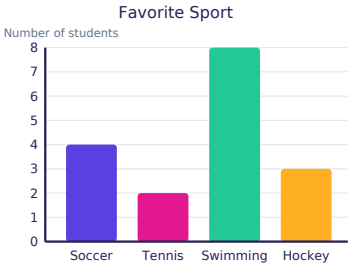
Task card 19 Bar Graphs

Which season did the most students choose?



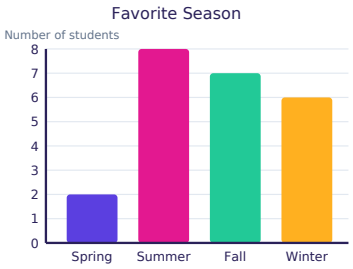
Task card 20 Bar Graphs

How many students chose Swimming or Hockey?



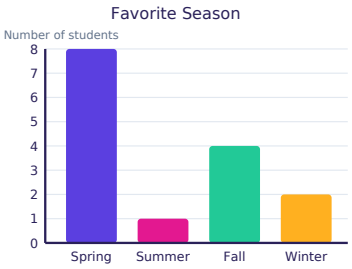
Task card 21 Bar Graphs

Which season did the fewest students choose?



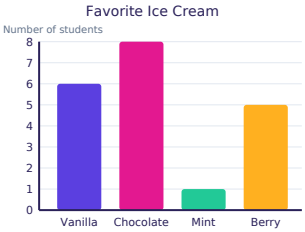
Task card 22 Bar Graphs

How many fewer students chose Winter than Fall?



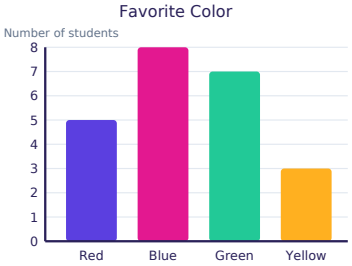
Task card 23 Bar Graphs

How many students chose Chocolate?



Task card 24 Bar Graphs

How many more students chose Red than Yellow?



Bar Graphs Task Cards

Recording sheet · Grade 2 · Use the scale on the side to see how tall each bar is. Then answer the question.

Name: _____ Date: _____

Scan to check your answers

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
17	18	19	20
21	22	23	24

Bar Graphs Task Cards: Answer Key
