Task card 1 Mixed Numbers & Improper Fractions...

Write $4\frac{2}{3}$ as an improper fraction.

Task card 2 Mixed Numbers & Improper Fractions...

Write $\frac{19}{10}$ as a mixed number.

Task card 3 Mixed Numbers & Improper Fractions...

Write $2\frac{1}{2}$ as an improper fraction.

Task card 4 Mixed Numbers & Improper Fractions...

Write $\frac{14}{5}$ as a mixed number.

Task card 5 Mixed Numbers & Improper Fractions...

Write $5\frac{1}{8}$ as an improper fraction.

Task card 6 Mixed Numbers & Improper Fractions...

Write $\frac{17}{3}$ as a mixed number.

Task card 7 Mixed Numbers & Improper Fractions...

Write $4\frac{5}{6}$ as an improper fraction.

Task card 8 Mixed Numbers & Improper Fractions...

Write $\frac{13}{2}$ as a mixed number.

Task card 9 Mixed Numbers & Improper Fractions...

Write $5\frac{1}{2}$ as an improper fraction.

Task card 10 Mixed Numbers & Improper Fractions...

Write $\frac{15}{8}$ as a mixed number.

Task card 11 Mixed Numbers & Improper Fractions...

Write $1\frac{3}{8}$ as an improper fraction.

Task card 12 Mixed Numbers & Improper Fractions...

Write $\frac{19}{3}$ as a mixed number.

Task card 13 Mixed Numbers & Improper Fractions...

Write $3\frac{4}{5}$ as an improper fraction.

Task card 14 Mixed Numbers & Improper Fractions...

Write $3\frac{3}{10}$ as an improper fraction.

Task card 15 Mixed Numbers & Improper Fractions...

Write $\frac{16}{3}$ as a mixed number.

Task card 16 Mixed Numbers & Improper Fractions...

Write $6\frac{1}{6}$ as an improper fraction.

Task card 17 Mixed Numbers & Improper Fractions...

Write $\frac{33}{4}$ as a mixed number.

Task card 18 Mixed Numbers & Improper Fractions...

Write $\frac{8}{3}$ as a mixed number.

Task card 19 Mixed Numbers & Improper Fractions...

Write $7\frac{5}{8}$ as an improper fraction.

Task card 20 Mixed Numbers & Improper Fractions...

Write $\frac{59}{10}$ as a mixed number.

Task card 21 Mixed Numbers & Improper Fractions...

Write $3\frac{2}{3}$ as an improper fraction.

Task card 22 Mixed Numbers & Improper Fractions...

Write $\frac{37}{8}$ as a mixed number.

Task card 23 Mixed Numbers & Improper Fractions...

Write $6\frac{3}{4}$ as an improper fraction.

Task card 24 Mixed Numbers & Improper Fractions...

Write $\frac{5}{3}$ as a mixed number.

Mixed Numbers & Improper Fractions (Mixed Review) Task Cards

Recording sheet · Grade 4 · Rewrite each number in the form asked for.

Scan to check your answers

Name: _____ Date: _____

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
17	18	19	20
21	22	23	24

Mixed Numbers & Improper Fractions (Mixed Review) Task Cards: Answer Key
