Task card 1 Converting Scientific Notation to...

Write 2.301×10^{2} in standard form.

Task card 2 Converting Scientific Notation to...

Write 8.313×10^{-4} in standard form.

Task card 3 Converting Scientific Notation to...

Write 9.675×10^{2} in standard form.

Task card 4 Converting Scientific Notation to...

Write 4.17×10^{-5} in standard form.

Task card 5 Converting Scientific Notation to...

Write 9.6231×10^{3} in standard form.

Task card 6 Converting Scientific Notation to...

Write 5.15×10^{-2} in standard form.

Task card 7 Converting Scientific Notation to...

Write 2.2507×10^{3} in standard form.

Task card 8 Converting Scientific Notation to...

Write 1.918×10^{-4} in standard form.

Task card 9 Converting Scientific Notation to...

Write 3.1902×10^{-3} in standard form.

Task card 10 Converting Scientific Notation to...

Write 1.0526×10^{7} in standard form.

Task card 11 Converting Scientific Notation to...

Write 6.3727×10^{6} in standard form.

Task card 12 Converting Scientific Notation to...

Write 7.1049×10^{12} in standard form.

Task card 13 Converting Scientific Notation to...

Write 5.46×10^{3} in standard form.

Task card 14 Converting Scientific Notation to...

Write 1.42×10^{-5} in standard form.

Task card 15 Converting Scientific Notation to...

Write 6.118×10^{7} in standard form.

Task card 16 Converting Scientific Notation to...

Write 5.2735×10^{-3} in standard form.

Task card 17 Converting Scientific Notation to...

Write 8.27×10^{2} in standard form.

Task card 18 Converting Scientific Notation to...

Write 3.432×10^{-4} in standard form.

Task card 19 Converting Scientific Notation to...

Write 5.497×10^2 in standard form.

Task card 20 Converting Scientific Notation to...

Write 3.63×10^{-2} in standard form.

Task card 21 Converting Scientific Notation to...

Write 7.1121×10^3 in standard form.

Task card 22 Converting Scientific Notation to...

Write 9.887×10^{-5} in standard form.

Task card 23 Converting Scientific Notation to...

Write 8.023×10^2 in standard form.

Task card 24 Converting Scientific Notation to...

Write 6.008×10^{-2} in standard form.

Converting Scientific Notation to Standard Form Task Cards

Recording sheet · Grade 8 · Write each number in standard form.

Scan to check your answers

Name: _____ Date: _____

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
17	18	19	20
21	22	23	24

Converting Scientific Notation to Standard Form Task Cards: Answer Key
