Comparing Fractions (Mixed Review) · 8

ANSWER

>

Comparing Fractions (Mixed Review) · 7

ANSWER

Omar

Comparing Fractions (Mixed Review) · 9

Compare: $\frac{1}{2}$ ___ $\frac{1}{8}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 10

Compare: $\frac{3}{6}$ ___ $\frac{2}{6}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 11

Zoe ate $\frac{1}{2}$ of a pizza. Max ate $\frac{1}{8}$ of a same-size pizza. Who ate more? Write Zoe or Max.

Comparing Fractions (Mixed Review) · 12

Compare: $\frac{1}{4}$ ___ $\frac{3}{8}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 13

Compare: $\frac{1}{2}$ ___ $\frac{1}{4}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 14

Compare: $\frac{3}{4}$ ___ $\frac{3}{4}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 15

Mia ate $\frac{2}{6}$ of a sandwich. Ava ate $\frac{2}{4}$ of a same-size sandwich. Who ate less? Write Mia or Ava.

Comparing Fractions (Mixed Review) · 16

Compare: $\frac{1}{8}$ ___ $\frac{1}{3}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 10

ANSWER

>

Comparing Fractions (Mixed Review) · 9

ANSWER

>

Comparing Fractions (Mixed Review) · 12

ANSWER

<

Comparing Fractions (Mixed Review) · 11

ANSWER

Zoe

Comparing Fractions (Mixed Review) · 14

ANSWER

=

Comparing Fractions (Mixed Review) · 13

ANSWER

>

Comparing Fractions (Mixed Review) · 16

ANSWER

<

Comparing Fractions (Mixed Review) · 15

ANSWER

Mia

Comparing Fractions (Mixed Review) · 17

Compare: $\frac{1}{6}$ ___ $\frac{5}{6}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 18

Omar ate $\frac{1}{4}$ of a pan of brownies. Ava ate $\frac{3}{4}$ of a same-size pan of brownies. Who ate less? Write Omar or Ava.

Comparing Fractions (Mixed Review) · 19

Compare: $\frac{1}{2}$ ___ $\frac{3}{6}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 20

Ben ate $\frac{2}{6}$ of a granola bar. Leo ate $\frac{3}{6}$ of a same-size granola bar. Who ate more? Write Ben or Leo.

Comparing Fractions (Mixed Review) · 21

Compare: $\frac{3}{4}$ ___ $\frac{3}{6}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 22

Leo ate $\frac{1}{6}$ of a sandwich. Mia ate $\frac{1}{4}$ of a same-size sandwich. Who ate less? Write Leo or Mia.

Comparing Fractions (Mixed Review) · 23

Compare: $\frac{2}{6}$ ___ $\frac{2}{8}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 24

Compare: $\frac{1}{4}$ ___ $\frac{3}{4}$. Write >, <, or =.

Comparing Fractions (Mixed Review) · 18

ANSWER

Omar

Comparing Fractions (Mixed Review) · 17

ANSWER

<

Comparing Fractions (Mixed Review) · 20

ANSWER

Leo

Comparing Fractions (Mixed Review) · 19

ANSWER

=

Comparing Fractions (Mixed Review) · 22

ANSWER

Leo
