Task card 1 Statistics & Probability

How many ways can you choose 3 items from a set of 7?

Task card 2 Statistics & Probability

A coin is flipped and a 6-sided die is rolled. What is the probability of getting heads AND rolling a 1? (as a fraction)

Task card 3 Statistics & Probability

How many ways can you choose 3 items from a set of 4?

Task card 4 Statistics & Probability

A coin is flipped and a 6-sided die is rolled. What is the probability of getting heads AND rolling a 4? (as a fraction)

Task card 5 Statistics & Probability

How many ways can you choose 3 items from a set of 6?

Task card 6 Statistics & Probability

Two 6-sided dice are rolled. What is the probability that both show an even number? (as a fraction)

Task card 7 Statistics & Probability

How many ways can you choose 5 items from a set of 8?

Task card 8 Statistics & Probability

A coin is flipped and a 6-sided die is rolled. What is the probability of getting heads AND rolling a 3? (as a fraction)

Task card 9 Statistics & Probability

How many ways can you choose 3 items from a set of 9?

Task card 10 Statistics & Probability

Two 6-sided dice are rolled. What is the probability that both show a 6? (as a fraction)

Task card 11 Statistics & Probability

How many ways can you choose 2 items from a set of 5?

Task card 12 Statistics & Probability

How many ways can you choose 3 items from a set of 10?

Task card 13 Statistics & Probability

How many ways can you choose 1 item from a set of 4?

Task card 14 Statistics & Probability

How many ways can you choose 2 items from a set of 4?

Task card 15 Statistics & Probability

How many ways can you choose 6 items from a set of 10?

Task card 16 Statistics & Probability

A coin is flipped and a 6-sided die is rolled. What is the probability of getting heads AND rolling a 5? (as a fraction)

Task card 17 Statistics & Probability

How many ways can you choose 5 items from a set of 9?

Task card 18 Statistics & Probability

How many ways can you choose 4 items from a set of 7?

Task card 19 Statistics & Probability

How many ways can you choose 5 items from a set of 6?

Task card 20 Statistics & Probability

How many ways can you choose 2 items from a set of 9?

Task card 21 Statistics & Probability

How many ways can you choose 5 items from a set of 10?

Task card 22 Statistics & Probability

A coin is flipped and a 6-sided die is rolled. What is the probability of getting heads AND rolling a 2? (as a fraction)

Task card 23 Statistics & Probability

How many ways can you choose 6 items from a set of 8?

Task card 24 Statistics & Probability

How many ways can you choose 1 item from a set of 8?

Statistics & Probability Task Cards
