Task card 1 Bar Graphs

How many students voted in all?

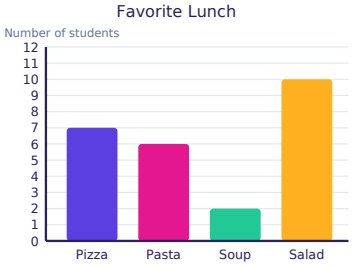

Task card 2 Bar Graphs

How many more students chose Spring than Fall?

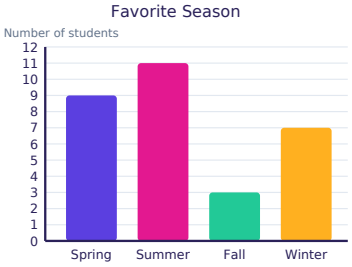

Task card 3 Bar Graphs

How many students did not choose Pizza?

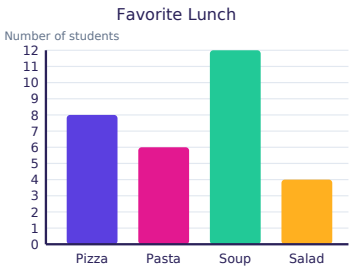

Task card 4 Bar Graphs

How many students chose Summer or Winter?

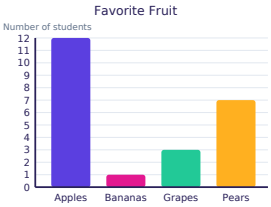

Task card 5 Bar Graphs

How many fewer students chose Pasta than Pizza?

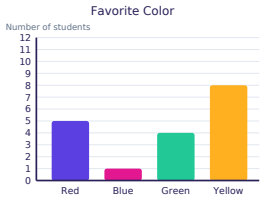

Task card 6 Bar Graphs

3 more students choose Pears. How many students chose Pears now?

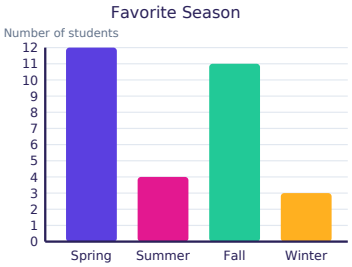

Task card 7 Bar Graphs

How many students voted in all?

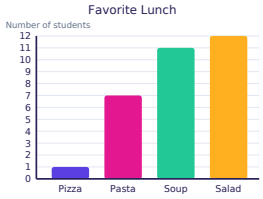

Task card 8 Bar Graphs

How many more students chose Summer than Winter?

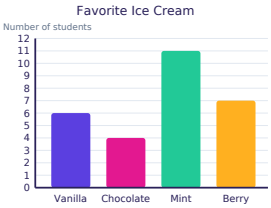

Task card 9 Bar Graphs

How many students voted in all?

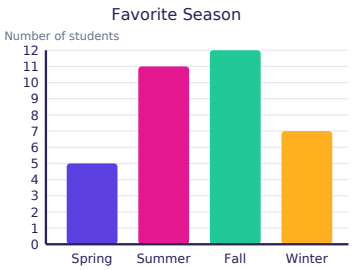

Task card 10 Bar Graphs

How many more students chose Vanilla than Chocolate?

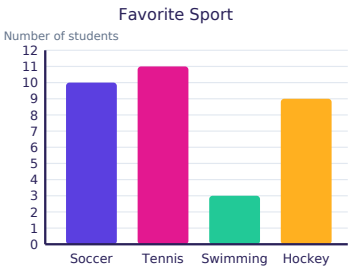

Task card 11 Bar Graphs

How many students did not choose Winter?

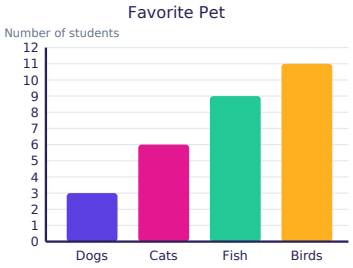

Task card 12 Bar Graphs

How many students chose Tennis or Hockey?

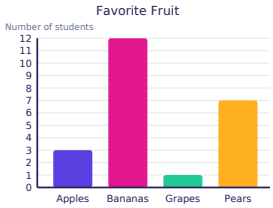

Task card 13 Bar Graphs

How many fewer students chose Dogs than Cats?

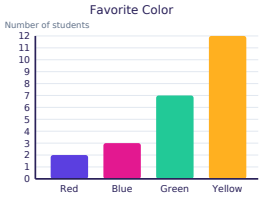

Task card 14 Bar Graphs

4 more students choose Apples. How many students chose Apples now?

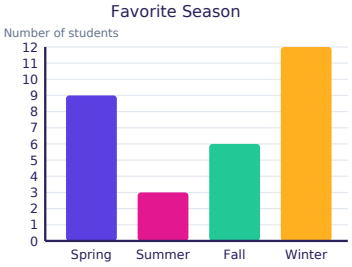

Task card 15 Bar Graphs

How many students voted in all?

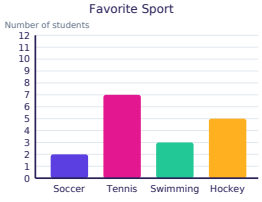

Task card 16 Bar Graphs

How many more students chose Fall than Summer?

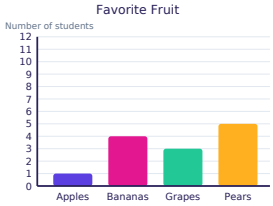

Task card 17 Bar Graphs

How many students voted in all?

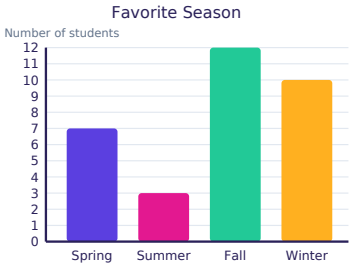

Task card 18 Bar Graphs

How many more students chose Bananas than Grapes?

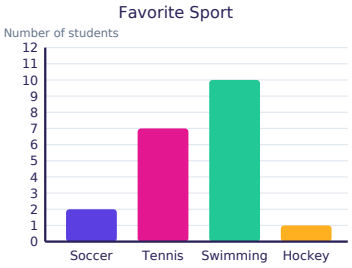

Task card 19 Bar Graphs

How many students did not choose Spring?

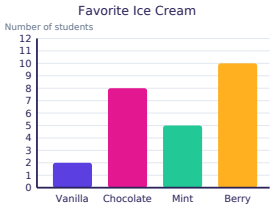

Task card 20 Bar Graphs

How many students chose Hockey or Swimming?

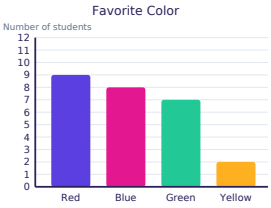

Task card 21 Bar Graphs

How many fewer students chose Chocolate than Berry?

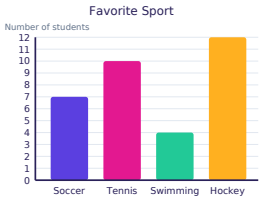

Task card 22 Bar Graphs

2 more students choose Blue. How many students chose Blue now?

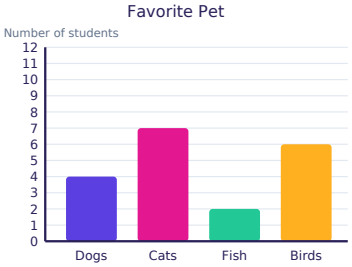

Task card 23 Bar Graphs

How many students voted in all?

Task card 24 Bar Graphs

How many more students chose Birds than Fish?

Bar Graphs Task Cards

Recording sheet · Grade 2 · Use the scale on the side to see how tall each bar is. Then answer the question.

Name: _____ Date: _____
