Task card 1 Equal Groups & Arrays

There are 2 rows of 4. How many apples in all? Write the multiplication fact: 2 × 4 = ___

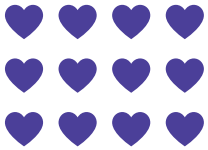

Task card 2 Equal Groups & Arrays

There are 2 rows of 4. How many balloons in all? Write the multiplication fact: 2 × 4 = ___

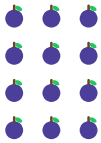

Task card 3 Equal Groups & Arrays

There are 3 rows of 4. How many hearts in all? Write the multiplication fact: 3 × 4 = ___

Task card 4 Equal Groups & Arrays

There are 4 rows of 3. How many apples in all? Write the multiplication fact: 4 × 3 = ___

Task card 5 Equal Groups & Arrays

There are 4 rows of 2. How many balloons in all? Write the multiplication fact: 4 × 2 = ___

Task card 6 Equal Groups & Arrays

There are 2 rows of 2. How many balloons in all? Write the multiplication fact: 2 × 2 = ___

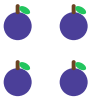

Task card 7 Equal Groups & Arrays

There are 3 rows of 3. How many stars in all? Write the multiplication fact: 3 × 3 = ___

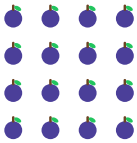

Task card 8 Equal Groups & Arrays

There are 2 rows of 2. How many apples in all? Write the multiplication fact: 2 × 2 = ___

Task card 9 Equal Groups & Arrays

There are 4 rows of 4. How many apples in all? Write the multiplication fact: 4 × 4 = ___

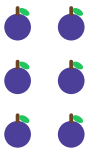

Task card 10 Equal Groups & Arrays

There are 4 rows of 2. How many stars in all? Write the multiplication fact: 4 × 2 = ___

Task card 11 Equal Groups & Arrays

There are 3 rows of 2. How many apples in all? Write the multiplication fact: 3 × 2 = ___

Task card 12 Equal Groups & Arrays

There are 4 rows of 4. How many balloons in all? Write the multiplication fact: 4 × 4 = ___

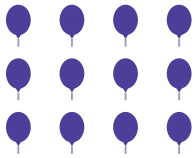

Task card 13 Equal Groups & Arrays

There are 4 rows of 4. How many stars in all? Write the multiplication fact: 4 × 4 = ___

Task card 14 Equal Groups & Arrays

There are 3 rows of 4. How many balloons in all? Write the multiplication fact: 3 × 4 = ___

Task card 15 Equal Groups & Arrays

There are 2 rows of 4. How many hearts in all? Write the multiplication fact: 2 × 4 = ___

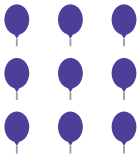

Task card 16 Equal Groups & Arrays

There are 3 rows of 3. How many hearts in all? Write the multiplication fact: 3 × 3 = ___

Task card 17 Equal Groups & Arrays

There are 3 rows of 3. How many balloons in all? Write the multiplication fact: 3 × 3 = ___

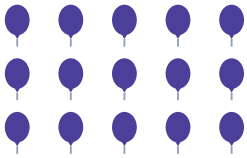

Task card 18 Equal Groups & Arrays

There are 3 rows of 2. How many stars in all? Write the multiplication fact: 3 × 2 = ___

Task card 19 Equal Groups & Arrays

There are 3 rows of 5. How many balloons in all? Write the multiplication fact: 3 × 5 = ___

Task card 20 Equal Groups & Arrays

There are 2 rows of 5. How many balloons in all? Write the multiplication fact: 2 × 5 = ___

Task card 21 Equal Groups & Arrays

There are 2 rows of 5. How many hearts in all? Write the multiplication fact: 2 × 5 = ___

Task card 22 Equal Groups & Arrays

There are 5 rows of 2. How many hearts in all? Write the multiplication fact: 5 × 2 = ___

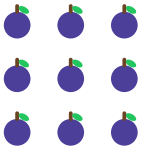

Task card 23 Equal Groups & Arrays

There are 2 rows of 4. How many stars in all? Write the multiplication fact: 2 × 4 = ___

Task card 24 Equal Groups & Arrays

There are 3 rows of 3. How many apples in all? Write the multiplication fact: 3 × 3 = ___

Equal Groups & Arrays Task Cards

Recording sheet · Grade 2 · Count the picture, then write the multiplication fact.

Name: _____ Date: _____
