Measuring in Inches & Centimeters · 1

How long is the straw in inches?

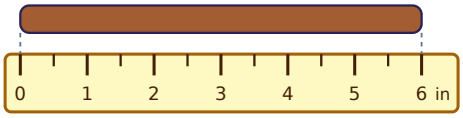

Measuring in Inches & Centimeters · 2

How long is the straw in centimeters?

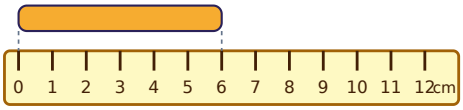

Measuring in Inches & Centimeters · 3

How long is the stick in inches?

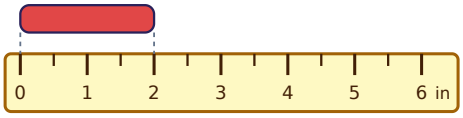

Measuring in Inches & Centimeters · 4

How long is the pencil in centimeters?

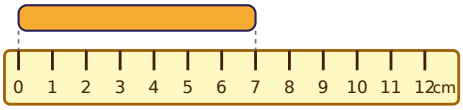

Measuring in Inches & Centimeters · 5

How long is the worm in inches?

Measuring in Inches & Centimeters · 6

How long is the pencil in centimeters?

Measuring in Inches & Centimeters · 7

A pencil is 4 centimeters long. If you measure it in inches, will the number be more or less than 4? Write more or less.

Measuring in Inches & Centimeters · 8

A straw is 4 centimeters long. If you measure it in inches, will the number be more or less than 4? Write more or less.

Measuring in Inches & Centimeters · 2

ANSWER

12

Measuring in Inches & Centimeters · 1

ANSWER

4

Measuring in Inches & Centimeters · 4

ANSWER

6

Measuring in Inches & Centimeters · 3

ANSWER

6

Measuring in Inches & Centimeters · 6

ANSWER

7

Measuring in Inches & Centimeters · 5

ANSWER

2

Measuring in Inches & Centimeters · 8

ANSWER

less

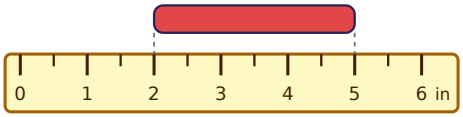

Measuring in Inches & Centimeters · 7

ANSWER

less

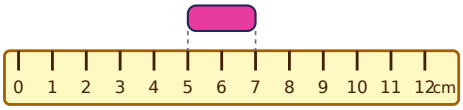

Measuring in Inches & Centimeters · 9

How long is the worm in inches? Careful — it does not start at 0!

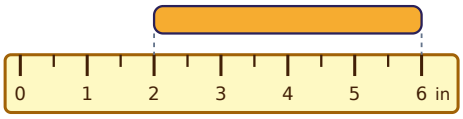

Measuring in Inches & Centimeters · 10

How long is the crayon in centimeters? Careful — it does not start at 0!

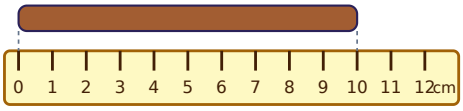

Measuring in Inches & Centimeters · 11

How long is the pencil in inches? Careful — it does not start at 0!

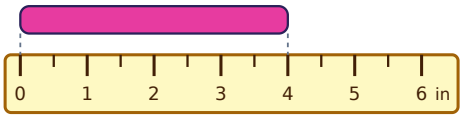

Measuring in Inches & Centimeters · 12

How long is the stick in centimeters?

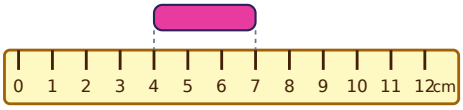

Measuring in Inches & Centimeters · 13

How long is the crayon in inches?

Measuring in Inches & Centimeters · 14

How long is the crayon in centimeters? Careful — it does not start at 0!

Measuring in Inches & Centimeters · 15

A ribbon is 3 centimeters long. If you measure it in inches, will the number be more or less than 3? Write more or less.

Measuring in Inches & Centimeters · 16

Which is a better estimate for the length of a marker in centimeters: 13 or 130?

Measuring in Inches & Centimeters · 10

ANSWER

2

Measuring in Inches & Centimeters · 9

ANSWER

3

Measuring in Inches & Centimeters · 12

ANSWER

10

Measuring in Inches & Centimeters · 11

ANSWER

4

Measuring in Inches & Centimeters · 14

ANSWER

3

Measuring in Inches & Centimeters · 13

ANSWER

4

Measuring in Inches & Centimeters · 16

ANSWER

13

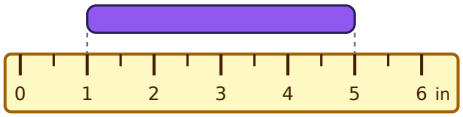

Measuring in Inches & Centimeters · 15

ANSWER

less

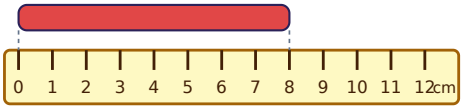

Measuring in Inches & Centimeters · 17

How long is the ribbon in inches? Careful — it does not start at 0!

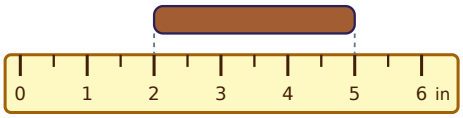

Measuring in Inches & Centimeters · 18

How long is the worm in centimeters?

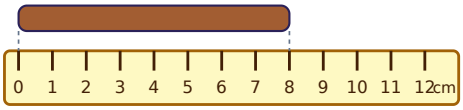

Measuring in Inches & Centimeters · 19

How long is the stick in inches? Careful — it does not start at 0!

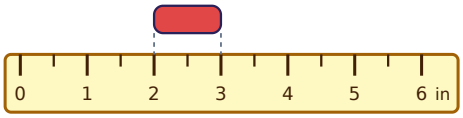

Measuring in Inches & Centimeters · 20

How long is the stick in centimeters?

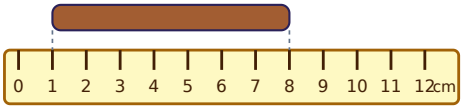

Measuring in Inches & Centimeters · 21

How long is the worm in inches? Careful — it does not start at 0!

Measuring in Inches & Centimeters · 22

How long is the stick in centimeters? Careful — it does not start at 0!

Measuring in Inches & Centimeters · 23

Which is a better estimate for the length of a shoe in inches: 9 or 90?

Measuring in Inches & Centimeters · 24

Which is a better estimate for the length of a paper clip in centimeters: 3 or 30?

Measuring in Inches & Centimeters · 18

ANSWER

8

Measuring in Inches & Centimeters · 17

ANSWER

4

Measuring in Inches & Centimeters · 20

ANSWER

8

Measuring in Inches & Centimeters · 19

ANSWER

3

Measuring in Inches & Centimeters · 22

ANSWER

7

Measuring in Inches & Centimeters · 21

ANSWER

1

Measuring in Inches & Centimeters · 24

ANSWER

3

Measuring in Inches & Centimeters · 23

ANSWER

9
