Task card 1 Converting Fractions, Decimals & P...

Convert $\frac{1}{4}$ to a percent.

Task card 2 Converting Fractions, Decimals & P...

Convert 10% to a decimal.

Task card 3 Converting Fractions, Decimals & P...

Convert 0.6 to a fraction in simplest form.

Task card 4 Converting Fractions, Decimals & P...

Convert $\frac{1}{2}$ to a percent.

Task card 5 Converting Fractions, Decimals & P...

Convert 50% to a decimal.

Task card 6 Converting Fractions, Decimals & P...

Convert 0.5 to a fraction in simplest form.

Task card 7 Converting Fractions, Decimals & P...

Convert $\frac{9}{10}$ to a percent.

Task card 8 Converting Fractions, Decimals & P...

Convert 8% to a decimal.

Task card 9 Converting Fractions, Decimals & P...

Convert $\frac{20}{25}$ to a percent.

Task card 10 Converting Fractions, Decimals & P...

Convert 80% to a decimal.

Task card 11 Converting Fractions, Decimals & P...

Convert 0.2 to a fraction in simplest form.

Task card 12 Converting Fractions, Decimals & P...

Convert $\frac{3}{10}$ to a percent.

Task card 13 Converting Fractions, Decimals & P...

Convert 0.66 to a fraction in simplest form.

Task card 14 Converting Fractions, Decimals & P...

Convert $\frac{12}{20}$ to a percent.

Task card 15 Converting Fractions, Decimals & P...

Convert 75% to a decimal.

Task card 16 Converting Fractions, Decimals & P...

Convert 25% to a decimal.

Task card 17 Converting Fractions, Decimals & P...

Convert 0.75 to a fraction in simplest form.

Task card 18 Converting Fractions, Decimals & P...

Convert $\frac{2}{10}$ to a percent.

Task card 19 Converting Fractions, Decimals & P...

Convert $\frac{15}{50}$ to a percent.

Task card 20 Converting Fractions, Decimals & P...

Convert 34% to a decimal.

Task card 21 Converting Fractions, Decimals & P...

Convert 0.8 to a fraction in simplest form.

Task card 22 Converting Fractions, Decimals & P...

Convert 15% to a decimal.

Task card 23 Converting Fractions, Decimals & P...

Convert $\frac{9}{20}$ to a percent.

Task card 24 Converting Fractions, Decimals & P...

Convert $\frac{10}{25}$ to a percent.
