Task card 1 Converting Scientific Notation to...

Write 9.7×10^{-5} in standard form.

Task card 2 Converting Scientific Notation to...

Write 1.8×10^{-2} in standard form.

Task card 3 Converting Scientific Notation to...

Write 1.2×10^{-2} in standard form.

Task card 4 Converting Scientific Notation to...

Write 1.01×10^{-5} in standard form.

Task card 5 Converting Scientific Notation to...

Write 6.6×10^{-4} in standard form.

Task card 6 Converting Scientific Notation to...

Write 4.2×10^{-5} in standard form.

Task card 7 Converting Scientific Notation to...

Write 9.79×10^{-2} in standard form.

Task card 8 Converting Scientific Notation to...

Write 8.63×10^{-3} in standard form.

Task card 9 Converting Scientific Notation to...

Write 6.53×10^{3} in standard form.

Task card 10 Converting Scientific Notation to...

Write 6.5×10^{-8} in standard form.

Task card 11 Converting Scientific Notation to...

Write 7.8×10^{-5} in standard form.

Task card 12 Converting Scientific Notation to...

Write 5.9×10^{4} in standard form.

Task card 13 Converting Scientific Notation to...

Write 1.54×10^{-2} in standard form.

Task card 14 Converting Scientific Notation to...

Write 3.6×10^{4} in standard form.

Task card 15 Converting Scientific Notation to...

Write 5.97×10^{-5} in standard form.

Task card 16 Converting Scientific Notation to...

Write 1.6×10^{-2} in standard form.

Task card 17 Converting Scientific Notation to...

Write 8.69×10^{-9} in standard form.

Task card 18 Converting Scientific Notation to...

Write 1.372×10^{8} in standard form.

Task card 19 Converting Scientific Notation to...

Write 4.602×10^{9} in standard form.

Task card 20 Converting Scientific Notation to...

Write 2.68×10^{10} in standard form.

Task card 21 Converting Scientific Notation to...

Write 2.827×10^{11} in standard form.

Task card 22 Converting Scientific Notation to...

Write 9.712×10^{9} in standard form.

Task card 23 Converting Scientific Notation to...

Write 1.41×10^{-8} in standard form.

Task card 24 Converting Scientific Notation to...

Write 9.288×10^{-7} in standard form.

Converting Scientific Notation to Standard Form Task Cards

Recording sheet · Grade 8 · Write each number in standard form.

Scan to check your answers

Name: _____ Date: _____

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
17	18	19	20
21	22	23	24

Converting Scientific Notation to Standard Form Task Cards: Answer Key
