Which group has more: the balls or the apples? If they are the same, write same.

Task card 4 Comparing Groups of Objects

Which group has fewer: the stars or the apples? If they are the same, write same.

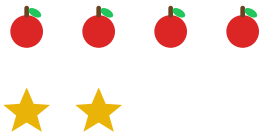

Task card 5 Comparing Groups of Objects

Which group has more: the stars or the balls? If they are the same, write same.

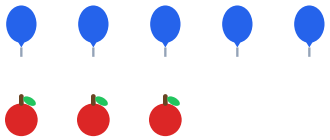

Task card 6 Comparing Groups of Objects

Which group has fewer: the apples or the stars? If they are the same, write same.

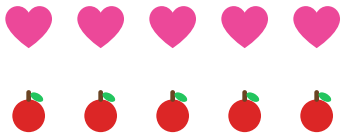

Task card 7 Comparing Groups of Objects

Which group has more: the balloons or the apples? If they are the same, write same.

Task card 8 Comparing Groups of Objects

Which group has fewer: the hearts or the apples? If they are the same, write same.

Task card 9 Comparing Groups of Objects

Which group has more: the balloons or the balls? If they are the same, write same.

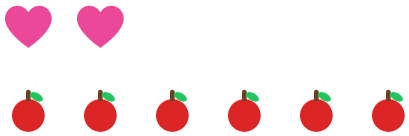

Task card 10 Comparing Groups of Objects

Which group has fewer: the stars or the balls? If they are the same, write same.

Task card 11 Comparing Groups of Objects

Which group has more: the hearts or the apples? If they are the same, write same.

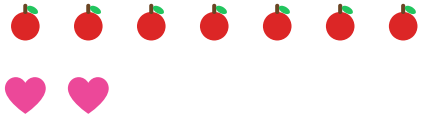

Task card 12 Comparing Groups of Objects

Which group has fewer: the balls or the stars? If they are the same, write same.

Task card 13 Comparing Groups of Objects

Which group has more: the apples or the hearts? If they are the same, write same.

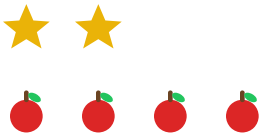

Task card 14 Comparing Groups of Objects

Which group has fewer: the balls or the stars? If they are the same, write same.

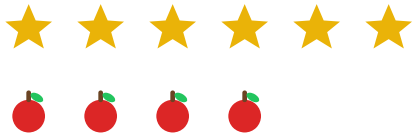

Task card 15 Comparing Groups of Objects

Which group has more: the stars or the apples? If they are the same, write same.

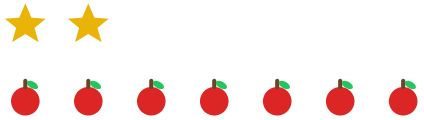

Task card 16 Comparing Groups of Objects

Which group has more: the stars or the apples? If they are the same, write same.

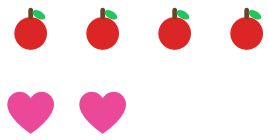

Task card 17 Comparing Groups of Objects

Which group has fewer: the stars or the apples? If they are the same, write same.

Task card 18 Comparing Groups of Objects

Which group has more: the apples or the hearts? If they are the same, write same.

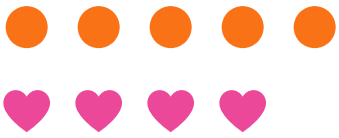

Task card 19 Comparing Groups of Objects

Which group has fewer: the hearts or the stars? If they are the same, write same.

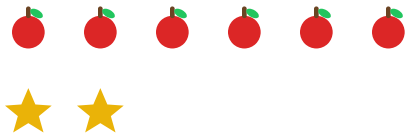

Task card 20 Comparing Groups of Objects

Which group has more: the balls or the hearts? If they are the same, write same.

Task card 21 Comparing Groups of Objects

Which group has fewer: the apples or the stars? If they are the same, write same.

Task card 22 Comparing Groups of Objects

Which group has more: the balls or the balloons? If they are the same, write same.

Task card 23 Comparing Groups of Objects

Which group has fewer: the balls or the hearts? If they are the same, write same.

Task card 24 Comparing Groups of Objects

Which group has more: the balls or the balloons? If they are the same, write same.

Comparing Groups of Objects Task Cards

Recording sheet · Kindergarten · Count both groups. Write the name of the group, or write same.

Name: _____ Date: _____
