Task card 1 Shape Recognition

What shape is this?

Task card 2 Shape Recognition

What shape is this?

Task card 3 Shape Recognition

How many sides does this shape have?

Task card 4 Shape Recognition

How many corners does this shape have?

Task card 5 Shape Recognition

How many squares are there?

Task card 6 Shape Recognition

One shape is different. What shape is it?

Task card 7 Shape Recognition

I have 5 sides and 5 corners. What shape am I?

Task card 8 Shape Recognition

What shape is this?

Task card 9 Shape Recognition

What shape is this?

Task card 10 Shape Recognition

What shape is this?

Task card 11 Shape Recognition

How many sides does this shape have?

Task card 12 Shape Recognition

How many corners does this shape have?

Task card 13 Shape Recognition

How many hexagons are there?

Task card 14 Shape Recognition

One shape is different. What shape is it?

Task card 15 Shape Recognition

What shape is this?

Task card 16 Shape Recognition

What shape is this?

Task card 17 Shape Recognition

What shape is this?

Task card 18 Shape Recognition

How many sides does this shape have?

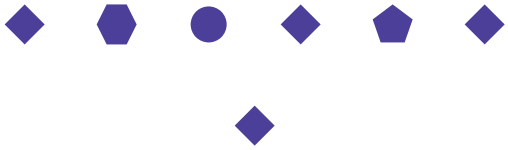

Task card 19 Shape Recognition

How many corners does this shape have?

Task card 20 Shape Recognition

How many diamonds are there?

Task card 21 Shape Recognition

One shape is different. What shape is it?

Task card 22 Shape Recognition

I am round. I have no corners. What shape am I?

Task card 23 Shape Recognition

What shape is this?

Task card 24 Shape Recognition

What shape is this?

Shape Recognition Task Cards

Recording sheet · Preschool · Look at each shape and answer the question.

Name: _____ Date: _____

Scan to check your answers

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16
17	18	19	20
21	22	23	24

Shape Recognition Task Cards: Answer Key
